

Beer Battered Rings with Kimchi Ketchup

The briny-sweet flavors of kimchi ketchup are the perfect match for these crunchy craft IPA-battered onions.

PAIR WITH

- ☐ **AMERICAN BROWN ALE**—The contrasting toast of the brown ale will elevate and highlight the kimchi flavors while complementing the beer batter on these onion rings.
- ☐ **INTERNATIONAL PALE LAGER**—The spicy tang of the kimchi will be balance nicely by the slightly sweet malt in this lager.
